

Special Order List 2023

Laguna Clay and Glaze offers a wide range of glaze options, to help improve production on our more popular glazes we are discontinuing many glazes (liquid and dry) in 2023. They are still available while supplies last, at discounted pricing and will be special order with the minimums noted once the inventory is gone. Color substitutes are suggested where possible. Please contact our Sales Team with questions or to place an order.

Low-Fire
